EPWORTH LEAGUE SERVICES

AT GOFF M. E. CHURCH SUNDAY EVENING WERE VERY INTERESTING AND HELPFUL.

JUNIOR EPWORTH LEAGUE HAD CHARGE OF THE SENIOR LEAGUE SERVICES AND GAVE FINE PROGRAM.

Instructive Papers Were Read and Musical Numbers That Were Much Appreciated Rendered--Dr. E. N. Flowers Made An Address.

The Epworth League services Sunday evening at the Goff M. E. church were quite unique and interesting. As announced in the Church Calendar, the Junior League had charge of the Senior League services.

By 6:30 p. m. the Junior League members with their superintendent, Mrs. S. K. Arbuthnot, and her seven assistants, had assembled in the church study. To music furnished by Miss Mabel Fletcher all marched into the league room and took their positions on the rostrum.

Mrs. Arbuthnot addressed the league and in her usual pleasing manner told of the work of the Junior League, its condition at present, its membership, attendance, and of the great work this large body of small people are accomplishing in this and other churches. She then gave the meeting into the hands of Lawrence Lynch, its president, who called on Miss Tate for the Scripture lesson, the juniors reciting in concert the Beatitudes. This was followed by a short prayer by P. H. Rhodes. The league, divided into four choruses, sang "Saviour Like a Shepherd Leads." This was a very pretty part of the program.

Glen Williams in a very distinct and well modulated tone of voice read a paper entitled "Work Laid Out For the Junior League by the Board of Control." Then followed a hymn by the primary department, well selected and well rendered.

Miss Marian Flowers read a paper on "The Intermediate Department," which gave a complete outline of this department of the league. Misses Virginia Snyder and Grace Haymaker sang a duet, which was well rendered and much appreciated by the league audience.

Miss Virginia Brent, representing the primary department as president, gave an account of her department, its officers, and the work being done by Fern Ward Fletcher, rendered plainly and with expression "Little Friends of Jesus."

Miss Lillian Harris, representing the class recently graduated into the Senior League, read a paper on "The Benefit of the Junior League to the Senior League." This paper was well composed and it showed that by keeping the children in the Junior League from infancy and then graduating them into the Senior League the revival was not necessary to reclaim them, but that they could continue in the paths of right. All then joined in singing "Trust and Obey."

Dr. E. N. Flowers then addressed the juniors and imparted not only to them alone, but to all, many wholesome truths. The services closed with the league benediction.

This divergence from the usual program was much appreciated by those present. It gave all a good understanding of the work of this department of the church and brought the two departments of the league into closer touch with each other. Mrs. S. K. Arbuthnot and her assistants are to be congratulated on the work they have done and are doing. They deserve nothing but the highest praise and should have the hearty cooperation of all members and friends of the Goff M. E. church who are interested in training the children in the paths of right.
